

Client Manager

Solution Creation & Delivery	I answer the client brief with concise, engaging and impactful outputs
Core Consulting Skills	I bring a breadth of knowledge and experience of consulting skills to shape impactful delivery of client solutions, and share my knowledge internally
Client Engagement & Relationship Building	I establish and maintain strong relationships with the client & their team. I am trusted as the day-to-day contact for the client, running great workshops and client sessions, going the extra mile for the relationship
Project Planning & Management	I define and own the approach to answering the client challenge, bringing the team together to deliver on the plan and demonstrating agility in changing circumstances
Team Relationships & Management	I unleash the strengths of the team and coach Analysts and Consultants to become experts. Working collaboratively across the business, I draw on the skills of the wider Manifesto team to form a strong case for Manifesto's recommendations
